Day 1

TranzAlpine Scenic Train: Christchurch to Greymouth

The early morning departure is rewarded with incredible scenery today onboard the TranzAlpine Scenic Train. Considered one of the world's great train journeys, it travels between the East Coast, Christchurch and the West Coast, Greymouth. From your carriage, you'll see the fields of the Canterbury Plains and farmland, followed by the spectacular gorges and river valleys of the Waimakariri River. The train then climbs into the Southern Alps passing through small settlements and Arthur's Pass National Park before descending through the lush beech rain forest to the West Coast town of Greymouth, a great base for visits to Punakaiki and the West Coast glaciers.

Greymouth Train Station to Fox Glacier with Hokitika Scenic Tours

Leaving Greymouth, you will head south to Franz Josef and Glacier Country. Pass through Hokitika and continue on through Ross, a historic gold mining town where several buildings still remain intact. As you travel further down the coast you'll also go through Hari Hari, the town where Guy Menzies, the first person to fly solo over the Tasman crash-landed. Follow the coast through several small towns before catching a glimpse of the Franz Josef glacier as you pass the town of Franz Josef, before arriving in Fox Glacier about thirty minutes later.

Day 2

Fox Glacier

The mighty Fox Glacier is the largest and longest of the stunning West Coast glaciers. Remarkably, it ends in a temperate rainforest just 250 metres above sea level, only twelve kilometres from the sea. The valley at the glacier's head boasts more peaks than any other in New Zealand. Like all glaciers, the Fox Glacier advances and retreats, with its latest surge evident in the bulging lower ice fall. Alpine Guides offers access to the lower part of the glacier via a hidden track that winds through regenerating native forest, providing stunning views of the glacier's upper reaches. Fox Glacier Township, often described as the more "laid-back" of the twin Glacier Country townships, is celebrated for its relaxed atmosphere, excellent cafés, and a variety of accommodation options. The township also enjoys breathtaking views of New Zealand's tallest peaks, Mount Cook and Mount Tasman. For an unforgettable experience, take a helicopter ride to admire the glacier from above or opt for a heli hike to get up close to its icy formations. Nearby, Lake Matheson, renowned for its mirror-like reflections, is just a five-minute drive west of Fox Township. A short 25-minute drive further west takes you to historic Gillespie's Beach, famous for its crashing surf and views of distant snow-capped mountains.
