A great detour to take is to head inland and visit Hanmer Springs for a dip in the natural hot pools. Crossing the Hawkswood Range you descend towards the spectacular Kaikoura coastline and the road hugs the ocean as it winds its way the remaining 15 kilometres to the township.

Kaikoura Township is a bustling little place with many cafes, restaurants and shops but the main reason for visiting here is the wildlife.

Continuing The road hugs the shore for around 50 kilometres and offers many chances to view the native wildlife such as seabirds and New Zealand fur seals. To the east is the turquoise of the South Pacific Ocean and to the west the towering Kaikoura Ranges. Crossing the dry hills of the Marlborough ranges you head towards one of the most spectacular coastlines of the South Island, the Kaikoura Coast.

Sparsely populated, many of its secluded houses and resorts are accessible only by boat, making it an ideal escape. The main sounds – Queen Charlotte, Pelorus, Kenepuru, and Tory Channel – carve out a spectacular coastline and separate Arapawa Island from the mainland.

Indulge your senses with the region's culinary delights – from fresh Greenshell mussels harvested directly from the Sounds and perfectly paired with world-famous Marlborough Sauvignon Blanc, to an array of local delicacies. Day 5

Blenheim to Punakaiki

The drive today takes you along the Buller Gorge and offers some wonderful scenery as you follow this magnificent river. The town of Murchison is a quiet place and a great lunch stop. Underneath its sleepy farming facade is an adventurers paradise with white water rafting, kayaking, 4WD trips and some great trout fishing.

The first major town (by this region's standard) is Inangahua, and a small museum tells of the earthquake that hit the region in 1968, leaving 70% of the buildings damaged or inhabitable. Further along the river, one of the must-visit places is Whites Creek and New Zealand's longest swing bridge. Crossing the river, you get magnificent views of the gorge, and once on the other side, there are short bush walks, a jet boat ride, and some of the historic gold mining remnants.

The port town of Westport is the largest on the Northern West Coast. A history of gold mining, logging, fishing coal mining gives the town a hard working feeling. And to reward the hard workers the town has an extraordinary amount of pubs.

There are plenty of activities here, such as caving, bush walks, and surfing, but one of the most popular is to take a trip to Tauranga Bay and the seal colony. Just 15 kilometres south at Cape Foulwind (named by Captain Cook for the difficult sailing conditions and not the smell of the seals!), you will find a breeding colony of New Zealand fur seals. A well-marked and easy 10-minute walking track takes you to a colony where you can see the creatures lazing around or swimming in the ocean.

Continuing along the spectacular West Coast Road towards Punakaiki, you are rewarded with dramatic scenery of sheer cliffs, bush-clad hillsides, and windswept beaches.

Punakaiki is most famous for the Pancake Rocks and Blowholes. Visitors are often less aware of the many other great experiences available. Located in the heart of the Paparoa National Park, the area offers guided beach, forest, and mountain walks, canoeing, wildlife, horse trekking, surfing, gemstone hunting, caving, and climbing, heritage sites. There are taverns, cafes, and restaurants, and a great range of accommodation. The area also boasts a vibrant arts and crafts community and a cooperative gallery. Exploring the famous pancake rocks is best at high tide, with the incoming ocean waves sending seawater up the blow holes to create spectacular plumes.

Your accommodation: Scenic Hotel Punakaiki

Scenic Hotel Punakaiki is a modern, award-winning hotel complex, architecturally designed to harmonious with the local environment. Nestled in the foothills of Paparoa National Park the resort has spectacular views of the Wild West Coast beaches while all rooms have rainforest and/or ocean views.

Day 6

Punakaiki to Franz Josef Glacier

The drive South on State Highway 6 takes you through many West Coast towns. The first is Greymouth, the commercial centre for the West Coast. Just south of the town is Shantytown a replica gold rush town with lots of great displays from yesteryear.

The next town is Hokitika and this is a great place to explore the craft and gift stores. The Jade or Greenstone on offer in Hokitika is probably some of the best you will see in the country. The Hokitika Gorge, off the beaten track and inland a little is a spectacular 50 minute detour. Turquoise waters flowing through a narrow gorge. A great short walk will deliver you to this piece of paradise.

Ross is the site of an old gold mining town and some of the old buildings and workings remain. In fact Ross is still home to one of the few working gold mines left in New Zealand and the local information centre offers you the chance to pan for gold.

Continuing south Hari Hari is the township that Guy Menzies decided to land in (or rather crash land) as he became the first person to fly solo across the Tasman.

Whataroa, a small township on the main road is where you would head off to see one of the worlds rarest birds. The entire population (somewhere between 150 and 200 birds) of the New Zealand white heron or kotuku nest at the Waitangi Roto Nature Reserve and guided tours from October to March will take you there.

Arriving in to the Glacier region you catch your first glimpse of Franz Josef Glacier from a few kilometres out as it flows from the Southern Alps. Franz Josef township is a lively place with a great atmosphere, plenty of choice to dine out and some wonderful activities to enjoy.
