Day 2

Christchurch

Christchurch known in Māori as Ōtautahi, is the largest metro area in the South Island. Commonly referred to as New Zealand's "Garden City", Christchurch is home to one of the biggest public parks in the country, and beautiful botanic gardens. The city was hit with devastating earthquakes in 2010 and 2011, now the city crosses the line between its English heritage and a new modern architecture. To take in some arts and culture, pay a visit to the Canterbury Museum or the Christchurch Art Gallery. Take a step back in time with a tram around the city or punt along the Avon River. If tasting your way around the city is your means of travel, try out a cultural eating tour. A short drive from the CBD will lead you to the outskirts of the Banks Peninsula beachside suburb of Sumner or through the tunnel to Lyttelton Harbour which hosts fantastic markets on Saturday mornings.

Christchurch Triple Pass - Tram, Punting and Gondola

Experience three of Christchurch's iconic attractions in one day: the Christchurch Tram, Christchurch Gondola, and Punting on the Avon River. The historic tram is a delightful way to explore the evolving inner city, taking in the various sights with the hop-on hop-off pass and learning about the city from the live commentary. You'll also enjoy a bird's eye view of Christchurch and the Canterbury region including the distant peaks of the Southern Alps when you ride the gondola cableway to the top of the Port Hills in Heathcote Valley. Punting on the Avon River takes you through the city's green belt: a relaxing way to explore what is affectionately known as the 'Garden City'.

Hidden Gems City Sights with Amiki Cultural Food Tours

This cultural walking tour celebrates the diversity of modern-day Ōtautahi Christchurch, offering visitors a local's perspective of the central city on foot. Following in the footsteps of ancestors (tipuna), the tour meanders along the river and through city laneways, sharing Māori and settler stories and demonstrating how the community acts as guardians (kaitiaki) for the future. The tour begins with a welcome (mihi whakatau) and prayer (karakia) to ensure visitors' safety on their journey. Guests will learn about the creation story of Ranganui (sky father) and Papatūānuku (earth mother) and hear the ancestral story of how the hongi brought Hineahuone to life.

Your accommodation: Sudima Christchurch City

As well as its impressive beauty, Aoraki-Mt Cook National Park is also home to a huge range of awe-inspiring sights and activities. Take to the air with Mt Cook Ski Planes for a scenic flight that includes a glacier landing. At around 27 kilometres long the Tasman Glacier is New Zealand's longest and a Glacier Explorers tour allows you to see its unique features up close.

There are many short hikes in and around the park and these are well signposted around the village. Those with an interest in the night sky should take a Big Sky Stargazing tour with the Hermitage Hotel. The region is considered to have one of the clearest night skies in the world and is one of the few gold-rated dark sky reserves worldwide.

Very few glaciers terminate into lakes and even fewer of them are accessible. See towering ice cliffs and floating icebergs from the safety of a specially designed boat. These boats provide a safe way to view unseen and inaccessible areas of New Zealand's largest glacier The Tasman.

The Panorama Room 3-course Dinner with The Hermitage Hotel

Since first opening its doors in 1969, The Panorama Room has gained a reputation as being one of the best restaurants in New Zealand. This reputation is reflected in the numerous awards the restaurant has received over the years. A simple philosophy of using just the freshest, local ingredients, in particular from New Zealand's South Island, is still the secret to its success today. The menu has a strong international influence and reflects both the establishment's taste and the fact that most of the chefs have travelled and worked widely throughout the world.

SUGGESTED ACTIVITY - Big Sky Stargazing

Mt Cook is far from the city lights and therefore has some of the darkest skies in New Zealand, perfect for viewing the night sky! Their fully trained guides are delighted to show you the beautiful southern night sky using the naked eye, state-of-the-art astronomy telescopes, and binoculars at the outdoor viewing platform. If the weather is not favourable, then there will be an indoor alternative featuring New Zealand's first full-dome digital Planetarium, high-definition video images on a suspended 9m wide x 4.5m high full dome. Unleash your imagination as you discover the night sky, including the Southern Cross, seasonal ecliptic objects, planets, star clusters, moons, distant galaxies, and even our very own galaxy, the spectacular Milky Way!
