Day 1

Welcome to Christchurch

Welcome to Christchurch – New Zealand’s Garden City. The largest city in the South Island, Christchurch is known for its historical earthquake in 2011 and how it rebuilt itself into a charming, multicultural city that blends modern architecture and technology with the existing 19th-century Anglican ‘gothic revival’ architectural influence. After checking into your hotel and reading your welcome letter from your tour director, head out and explore all that Christchurch has to offer. This is the perfect opportunity to wander through the enticing stalls at Riverside Market or explore the botanical gardens before heading to the art gallery, museums and other city attractions. After an exciting day on the town, your journey will officially begin as you join your fellow travellers and tour director at this evening’s welcome reception.

The TransAlpine Scenic Train

The moment has come to experience the world-famous TransAlpine scenic train journey through the Southern Alps, emerging in the West Coast! On this fantastic escape, you will see epic vistas, soar on the edges of the ice fed Waimakariri River, traverse through the Great Divide, and experience ever-changing landscapes. The natural scenery isn’t the only marvel, though. The TransAlpine passes through the Otira Tunnel, a true engineering marvel of 100 years! Once you arrive at the West Coast, a private coach will take you even further off the beaten track to Punakaiki, where you will explore curious limestone rock formations and blowholes.

Day 3

Explore the West Coast

This morning you'll start your West Coast adventure by visiting one of the South Island's most popular activities - the West Coast Tree Top Walk. This elevated adventure will get you acquainted with the locals - the ancient Rimu and Kamahi trees. After your sky-high experience, continue south into Glacier Country. Franz Josef Glacier is quite special in that it survives in the warm coastal rainforest temperatures. With a short walk to a viewpoint, you'll get a fantastic view of the vast valley, as well as a sneak peak of Franz Josef Glacier itself. If you would prefer to get up close, we recommend booking an optional helicopter flight. This will ensure you are getting the best possible view of this natural wonder. After your glacial experience and checking into the hotel, you'll have some free time to enjoy Franz Josef town. Indulge in a helicopter flight, nature walk or tap into some natural tranquility at the local hot pools.
