However, Queenstown offers far more than a fast-paced, action-packed holiday. Settled on the shores of beautiful Lake Wakatipu beneath a soaring panorama of the Remarkables Mountain Range, this alpine town is surrounded by many historic, gastronomic, and scenic wonders. Take a stroll through the beautiful lakefront parks and gardens, browse through market stalls on weekends, dine in wonderful al-fresco restaurants, or ride on the 100-year-old historic Steamship - TSS Earnslaw to Walter Peak Station. Take the Queenstown Gondola up to Bob's Peak and soak up the panoramic views of the magnificent lake and mountain ranges. Day 7

Franz Josef to Arthur's Pass National Park

Driving north on State Highway 6 you pass through many small West Coast towns. Hari Hari is the township that Guy Menzies decided to land in (or rather crash land) as he became the first person to fly solo across the Tasman. Ross is the site of an old gold mining town and some of the old buildings remain. You can even pan for gold. The craft and gift stores in Hokitika are excellent with a great range of locally made items and if you want to explore further here then the Hokitika Gorge is worthy of a 50 minute detour.

State Highway 73 is the main road between the West Coast and Christchurch and the scenery is spectacular, even in the rain and there is a pretty good chance of rain in the high alpine mountains. With hundreds of waterfalls cascading down the bush-clad hillsides, it's not a road to be rushed. Originally the road was a pass used by Maori as they made their seasonal passage to look for the greenstone abundant in the West Coast mountains. When the gold rush hit the West Coast in the late 1800's then a road was quickly developed and not soon after the train. Today the main use for the track is transporting coal to Lyttelton Harbour but once a day the now world famous TranzAlpine Scenic Train takes a few hundred tourists and visitors between the two oceans.

The Otira Gorge on the Western side of Arthur's Pass features a remarkable piece of engineering with the road passing high on a viaduct through this large valley. This is a recent addition to the route as the old road was washed away in a rock fall a few years ago. There are numerous lookout points giving great views of the valley and its engineering feat but watch out for the local residents, the kea. this bird is the world's only alpine parrot and can be extremely cheeky.

Arthur's Pass Township is a bustling place in the peak season with many walkers and adventurers using it as a base for the forays into the mountains of Arthur's pass National Park. The Department of Conservation centre here has an excellent display of the local history and is a great source of information for the many short walks in the area.

Your accommodation: Wilderness Lodge, Arthurs Pass

Wilderness Lodge sits on it's own 3,000-hectare nature reserve and merino sheep farm and is surrounded by the mountains of Arthur's Pass National Park. Join nature guides to walk, canoe and discover kea parrots, giant buttercups, pygmy forests, alpine flower gardens and waterfalls.

You'll then travel on State Highway 1 through the Waipara Valley. If you have plenty of time be sure to stop at Hanmer Springs for a soak in the hot mineral pools.

The road hugs the coast for the final stretch of this drive, before arriving at your destination, Kaikoura. Keep a lookout for dolphins as they are often seen swimming just off the coastline as well as New Zealand fur seals basking by the roadside.

SUGGESTED ACTIVITY - Ocean's Cabin with Whale Watch Kaikōura

Often orcas can be spotted here and the world's smallest dolphin, the Hector's, occasionally makes an appearance.

Designed around acoustic quiet and natural warmth, the lodge provides a grounded base for exploring Kaikōura's marine wildlife and coastal trails.

As you drive you will have turquoise waters of the South Pacific Ocean to your east and to the west the towering Kaikoura Ranges. Crossing the dry hills of the Marlborough ranges you head towards Marlborough, New Zealand's largest wine producing region. Blenheim sits right at the heart of Marlborough and is ideally located to enjoy an afternoon sampling the local produce. A great way to do this is to take a guided wine tour with Sounds Connection Wine Tours.

You'll travel along Queen Charlotte Drive, traversing the length of the Marlborough Sounds coastline. Magnificent views are abundant so be sure to make time to stop and enjoy the scenery as you go.

Continue through the small port town of Havelock, home to a variety of cafes and restaurants. The highway between Nelson and Picton crosses the pelorus river, and at this junction you'll find the famous pelorus bridge. From here there are a number of forest walks, the most popular a 30 minute loop through beech, rimu, and totara forest. Traverse Tasman Bay passing through Motueka to arrive on the outskirts of Abel Tasman National Park.

Day 13

Marahau to Punakaiki

The drive today takes you along the Buller Gorge and offers some wonderful scenery as you follow this magnificent river. The town of Murchison is a quiet place and a great lunch stop. Underneath its sleepy farming facade is an adventurers' paradise with white water rafting, kayaking, 4WD trips, and some great trout fishing.

The first major town (by this region's standard) is Inangahua, and a small museum tells of the earthquake that hit the region in 1968, leaving 70% of the buildings damaged or inhabitable. Further along the river, one of the must-visit places is Whites Creek and New Zealand's longest swing bridge. Crossing the river, you get magnificent views of the gorge, and once on the other side, there are short bush walks, jet boat rides, and some of the historic gold mining remnants.

The port town of Westport is the largest on the Northern West Coast. A history of gold mining, logging, fishing coal mining gives the town a hard-working feeling. And to reward the hard workers the town has an extraordinary amount of pubs.

There are plenty of activities here, such as caving, bush walks, and surfing, but one of the most popular is to take a trip to Tauranga Bay and the seal colony. Just 15 kilometres south at Cape Foulwind (named by Captain Cook for the difficult sailing conditions and not the smell of the seals!), you will find a breeding colony of New Zealand fur seals. A well-marked and easy 10-minute walking track takes you to the colony where you can see the creatures lazing around or swimming in the ocean.

The spectacular West Coast coastline guides you to Paparoa National Park and to Punakaiki where a walk along the paths around the pancake rocks is a must. Please note there is no supermarket facilities in Punakaiki.
