Day 3

Fox Glacier

The mighty Fox Glacier is the largest and longest of the stunning West Coast glaciers. Remarkably, it ends in a temperate rainforest just 250 metres above sea level, only twelve kilometres from the sea. The valley at the glacier's head boasts more peaks than any other in New Zealand. Like all glaciers, the Fox Glacier advances and retreats, with its latest surge evident in the bulging lower ice fall. Alpine Guides offers access to the lower part of the glacier via a hidden track that winds through regenerating native forest, providing stunning views of the glacier's upper reaches. Fox Glacier Township, often described as the more "laid-back" of the twin Glacier Country townships, is celebrated for its relaxed atmosphere, excellent cafés, and a variety of accommodation options. The township also enjoys breathtaking views of New Zealand's tallest peaks, Mount Cook and Mount Tasman. For an unforgettable experience, take a helicopter ride to admire the glacier from above or opt for a heli hike to get up close to its icy formations. Nearby, Lake Matheson, renowned for its mirror-like reflections, is just a five-minute drive west of Fox Township. A short 25-minute drive further west takes you to historic Gillespie's Beach, famous for its crashing surf and views of distant snow-capped mountains.

SUGGESTED ACTIVITY - Half Day Lake Matheson Eco Tour

Nature has combined three ingredients to create the stunning vista of Lake Matheson. Explore the crystal clear waters and learn about the flora, fauna, glaciation, geology, and natural history of this beautiful area. Enjoy the stunning Lake Matheson, where you'll walk the 3km gentle track that follows the lake edge. Along the way, you'll take in the reflective qualities of the lake and the surrounding lush rainforest, which make for fantastic photo opportunities.

SUGGESTED ACTIVITY - Twin Glacier Scenic Helicopter Flight with The Helicopter Line

Experience the breathtaking beauty of not one, but two spectacular glaciers—Fox Glacier and Franz Josef Glacier. Get up close to their stunning neve and intricate ice formations, with a snowfield landing that's sure to be a highlight of your journey. Capture incredible photos, make a snowball, and create unforgettable memories during this 35-minute scenic flight with a snow landing. If weather conditions prevent your flight, your booking can be easily transferred to a similar tour with The Helicopter Line in Queenstown or Mt Cook. Day 5

SUGGESTED ACTIVITY - Lake Cruise and Island Nature Walk with Eco Wanaka

Lying close to the centre of Lake Wanaka is Mou Waho Island Nature Reserve. A unique glacial remnant of the last ice age, the island is also the historic site of early shipbuilding and used to be a stopping place for the steamers and log rafts that once plied the lake. Accessible from Wanaka by a 35-minute boat cruise, the landing is on the eastern side of the island where the remnants of the early settlement remain; a stone wharf and a hut. A well-formed track leads from the landing and climbs steadily through native bush to near the top of Tyrwhitt Peak. Just before the top, we see Arethusa Pool, a small lake on the island with small islands in it - very intriguing! From the top, we have a sweeping 360-degree view of Lake Wanaka, its surrounding mountains and valleys, and below Arethusa Pool. The perfect spot to stop for tea or coffee. Going back down the track gives us more time to take in our surroundings, listening to and watching the lively bird-life, and just enjoying this unique wildlife reserve. You will feel well rewarded as you re-join the boat for the cruise back to Wanaka. Total cruise time is 1.5 hours. The trip runs subject to weather and lake conditions. Depending on the planting season, you can help The Reforestation of Mou Waho by planting a tree.
