Day 1

Queenstown

Queenstown known in Māori as Tāhuna, is home to many adrenaline-inducing activities. Nestled on the shores of Lake Wakatipu, this alpine town has very distinct seasons, and most adrenaline-filled activities can be accessed year-round. Queenstown is home to jet boating, bungy jumping, rafting, skydiving, paragliding, and even indoor thrills. If you want that rush - head out on the Shotover Jet, dive off the Nevis Bungy, freefall on the Canyon Swing, or Zip line the Gondola. While arguably the brightest gem in New Zealand's crown, Queenstown offers far more than an action-packed getaway. If you're looking for a slightly slower pace, there are plenty of recreational activities, including hiking and biking trails to explore, guided tours, boat cruises, scenic flights, or spa and wellness options to help you get away. Head to the lakefront, eat at one of the al fresco eateries, and soak up the local vibes; catch a ride on the iconic 100-year-old steamship the TSS Earnslaw; or take the Skyline Gondola and enjoy bird's-eye views of the Remarkables mountain ranges and Lake Wakatipu. Pack a picnic and go for a hike, only 20 minutes from Central Queenstown, Coronet Peak opens for summer sightseeing. You can ride the Peak Gondola to the top for panoramic views and hike the trails, or go for a bike ride on many excellent biking trails. In winter, Queenstown becomes a world-class winter resort, with four ski areas and a range of activities, bars, restaurants, and ways to relax and unwind.

Private Transfer Queenstown Airport to your Accommodation

On arrival you will be met by a private driver and delivered to your Queenstown accommodation.

SUGGESTED ACTIVITY - Time Tripper Cinematic Experience

Queenstown's only underwater experience takes you on a journey through time and legend beginning many millions of years ago. Your time travel pilot will guide you back 90 million years, through the time of the dinosaurs, take you to when New Zealand was formed, fly you deep into the earth when the Southern Alps were created and through the glacier that carved out Lake Wakatipu. Ending in present-day Queenstown, you then experience adventure activities you can do — all from the comfort of your rumbling seat!

You then experience 10 – 15 minutes of underwater viewing where you can feed the famous diving ducks, slinky eels and rainbow & brown trout that lie beneath.
