Day 21

Explore Bay of Islands

Commonly known as the 'winterless north', New Zealand's Bay of Islands is made up of over 140 subtropical atolls. Renowned for its untouched beaches, abundant marine life, and idyllic climate, this tropical paradise ticks all the boxes. Spend some time on a remote stretch of beach, or see the dolphins on an ocean safari. If diving is your thing, take the morning to descend the Rainbow Warrior - The Greenpeace flagship sunk by French saboteurs in 1985. Wander around Russell, a whaling port founded in 1843. Learn about our culture in historic Waitangi, the site where The Treaty of Waitangi was signed in 1840 between the Māori and Europeans. Alternatively, you may like to take a day tour to Cape Reinga, the very top of the North Island.

SUGGESTED ACTIVITY - Hole in the Rock Cruise with Fullers

Board your cruise and take in the stunning views as you glide out through the islands and along the Rakaumangamanga Peninsula to Cape Brett, where a historic lighthouse keeps watch over and Piercy Island/Motukōkako, or as it is popularly known as the Hole in the Rock. According to Māori legend, local warriors used to paddle through the Hole in the Rock in their canoes before departing for battle. Drops of water from the cave roof above were a good omen. If conditions permit, your skipper will expertly guide the ship through the narrow space. Keep an eye out for common and bottlenose dolphins, whales, and other marine life during your cruise, and have your camera ready as you get up close to the action. Stop off at Otehei Bay on Urupukapuka Island where you have time to relax, take a walk, have a swim, or enjoy a bite to eat and drink from the on-site fully licensed cafe.

Go through the small townships of Omapere and Opononi, each with a great seaside feel. Your route now goes south through Waipoua Forest, home to the largest and oldest Kauri trees in the country. Make sure you allow time for several of the signposted short walks as you pass - not to be missed is the five minute loop to view the largest of all the trees - Tane Mahuta. As you make your way back down the country you'll pass the Matakohe Kauri Museum with extensive displays on the region's logging, farming and social history.
